THE CRIMSON and GOLD

Come let us sing together,
Once more our ringing song,
Sing for the Columbia High School
With voices true and strong,
For we are her loving daughters,
And we are her sons so bold,
Hurrah for the Columbia High School
Hurrah for the Crimson and Gold.

Soon from this dear old High School
Out to the world we go,
There to reap the harvest,
Of what we here shall sow,
But we her loving daughters,
And we her sons so bold,
Will be true to the Columbia High School
Yes, true to the Crimson and Gold.

# A HISTORY OF THE SENIOR CLASS

THE Class of 1943 entered Columbia High School on September 2, 1939. It was the largest ever to have assembled there, and as such, it had gained recognition from the first day of its illustrious career. As the years passed, its prestige increased until, at graduation time, it had acquired a record of which it could be justly proud. Many of its members had made definite contributions toward the honor of their Alma Mater. And though it would have been impossible to mention each one, a mythical Hall of Fame, undoubtedly, would have included the following examples when this history was written:

K. Ernst's Hypnotism Act, the various student talent programs, and motion pictures such as: "America," "Red Cross Review," "America Marches On," "Frontiers of the Future," "No Greater Glory," "Defense For America," "Your Town—A Story of America," "Look to Lockheed for Leadership," "Wings for the Army," "Service With the Colors," "Coast Guard Academy," "Men of the Coast Guard," "Unfinished Rainbow," "Target for Tonight," "Listen to Britain," "Winning Your Wings," "Years of Progress," and "Knowing Your Money," There were also numerous lectures on timely and interesting subjects.

Popular were "The Sweater Dance," "The Snow Ball," "Ration Hop #1," and "The Spring Frolic," but the Girl Reserves' "Spring Formal" and the Junior-Senior Prom were social events that would long be remembered.

The school term ended in a whirl of activity, and 1939 seemed to be far in the past. Yet it represented a steppingstone to the present, just as 1943 was to become a door to the future. Seniors preparing for graduation and departure from school realized the significance of their class motto—"Nothing great is lightly won."

OUR well edited newspaper, published by the Crimson and Gold Club, underwent several changes at the start of the current term. The page size was increased to twice that of last year's paper, while the price was reduced to five cents, or half the former cost of single copies.

Of the ten issues released during the term, the Christmas edition stood out as most distinctive. It contained two extra pages, and it was printed on green paper. In each issue, the features, sports articles, and linoleum illustrations earned special mention because of their marked improvement.

It has been the aim of the Crimson and Gold Club to "train students in journalism and to give school news to the student body." A glance at the Crimson and Gold shows this aim to have been fulfilled. It has also been a policy of the club to grant awards to its senior members who deserve recognition for their efforts.

The popularity of our school newspaper was best shown by the manner in which the first issue was received by the student body this year. It was a complete "sellout."

OUR band, composed of students from the lower grades as well as from the high school, had to overcome several obstacles this year. A new director took charge at the beginning of the term, and a group of very young and inexperienced players had to be developed to fill vacancies created by seniors who were graduated last year. After some serious rehearsing, the organization appeared at a pep meeting where the volume of student applause indicated that it was ready for its busy season.

The band schedule for 1942-43 included the furnishing of music for High School pep meetings, football games, assembly programs and concerts. They also participated in the Armistice Day Parade.

In line with the music curriculum, the band gave its members "the experience of playing in a unit, of executing military drills, and of improving muscle coordination."

Three senior members received the All-State Band Rating, one of whom took the trip to Farrel, Pennsylvania, to play in the All-State Band directed by William D. Revelli, of the University of Michigan, and Captain George S. Howard, of the United States Army, Special Service Department.

NO SCHOOL seems complete without an orchestra that can furnish music for its various programs, yet few realize the hours of practice and the number of rehearsals necessary to produce an organization of this type.

Our orchestra was organized primarily to "furnish collective musical experience for its members and to give emotional stimulation to its audience." The orchestra, under a new director this year, worked hard to realize these ambitions. Most of the members had gone through the various steps of the music curriculum, ranging from private lessons to solo work, but they had to acquire the ability of ensemble playing. After a series of sectional practices, the orchestra opened its season by playing for the Christmas program. It later played for the Dramatic Club's Play, the Operetta, Senior Class Day Exercises, and Commencement Exercises.

One senior member received an All-State Orchestra Rating this year. The All-State Orchestra Concert which was to have been held at Indiana State Teachers College was cancelled.

AT TIMES, an artist's touch is needed to create an atmosphere in keeping with certain seasons and occasions in school. During the term, the members of the Brush and Easel Club answered this need whenever called upon to do so. The beautiful and very appropriate decorations in our auditorium during the Christmas season were examples of what these talented art students could do with paper, paints, brushes, pins, and a few good ideas. Those neat and original posters used to advertise our school plays, musical presentations, and social functions, were also done by members of this group.

The Brush and Easel Club was organized "to further an interest in art, and to provide more time for art students to work on their individual projects." A visit to the art room during the term would have given anyone ample proof that the club was realizing its objectives. Creative ability was constantly in evidence as work progressed on the projects.

The Ration Hop, which the club helped to sponsor this year, was the first social affair ever to be undertaken by the group.

THE Craftsmen generously gave their time and services to the school again this year. "To do odd jobs around the school that require the skill of a craftsman, and by this work, gain experience which will later be used in practical work" was their creed. Although they helped other extracurricular organizations to decorate the auditorium and gymnasium for special activities, they took complete charge of the scenery and lights for "Spring Fever" and "A Waltz Dream." More in their field of work, however, were the minor repairs they made about the school building, the record cabinet which they constructed for the principal's office, and a bicycle rack which they made for the use of C. H. S. commuters.

The club also had some social activities. Once each week, an evening meeting was held in the shop, at which time business and pleasure were combined. The year's main social event for the Craftsmen was the "Sweater Dance" which they helped to sponsor.

BOTH the senior and the junior divisions of the Girl Reserves enjoyed a complete program of social and service activities during the term. They not only sponsored events and projects within their own organization, but also promoted several which extended throughout the entire school, and even the community. There were times, too, when each division either had its own exclusive meetings, or undertook to entertain the other group. All except the traditional events on their 1942-43 calendar were decided upon by the girls themselves. A questionnaire was issued to the members in order to determine their desires in this respect.

The Girl Reserves afforded an opportunity for each of its members to "live and act, in her high school life, according to the highest standards and ideals; to cultivate real friendships; to learn how to work with others; to do worth-while things; to find enjoyment, and to find and give the best." Another basic ideal, which the girls followed seriously, was found in their motto: "To face life squarely."

FIGURATIVELY speaking, the Dramatic Club hung up a sign "Under New Management This Season." It was under the direction of a new adviser, but its traditions and setup remained unchanged. Committees functioned, tryouts were held, a play was chosen, a cast was selected and coached, thus giving our community another student talent play of outstanding merit.

"Spring Fever" was a triumph! It had action, laughs, and audience appeal. Columbians enjoyed it for the diversion and entertainment it afforded.

The members of the cast? Well, they were so carefully selected and so well coached, that they seemed to be going about their daily lives instead of acting in a school play.

As in the past, the club, again this year, presented all of the proceeds from its annual play, to the Senior Class, to be used as the Seniors should direct.

Without a doubt, the Dramatic Club realized its purposes: "To develop student interest in the drama, to promote better dramatics, and to afford an opportunity for self-expression."

CHAMPIONS again! This year the Crimson Tide not only won the Lancaster County Championship laurels, but also defeated McCaskey of Lancaster City, and deadlocked with Hanover, champions of the fast Southern Conference.

When the cheering was over, and Glatfelter Field was closed after the season's last game, Columbia High School relaxed and began to review its 1942 record with pride. The season had offered practically everything for which fans could ask: a tally of seven victories, one tie, and a hard-fought defeat; nine games of action, thrills, and strategy; and a speedy team with championship form.

The varsity which accomplished these successes was selected from a squad of sportsmanlike boys, piloted by rugged co-captains, and tutored by a hard-working coaching staff. At practice sessions and in games, there were no "stars." Teamwork and cooperation were the main objectives at all times.

Despite transportation difficulties and other unfavorable conditions, the faculty manager of athletics and the student managers of football also did a fine job.

The 1942 football season was remembered as an outstanding example of achievement in clean sports for the Crimson Tide, and as an exciting means of recreation for the fans and the student body.

# Tide of 1942

### Columbia 20 — Lancaster Catholic 0

This tilt marked the second, in two years, in which Columbia showed L. C. H. S. "how to do it," but this year it was in Catholic's own back yard. More than two complete C. H. S. teams went into action, every member of which acquitted himself well. Results in first downs showed Columbia having 8, and Lancaster Catholic having 5.

TOUCHDOWNS: Weisser, Walther, Bish.
CONVERSIONS: Ansalvish 2.

### Columbia 0 — John Harris 13

The Capital City Club finally slipped two tallies across the line in the last quarter of this battle. Until that time Breitegan-Weisser and Company stole the show. Both teams earned 7 first downs, which showed how close Columbia came to victory.

### Columbia 12 — McCaskey 6

In what proved to be a county classic, Columbia completely surprised the Red Rose "Juggernaut" by romping through one of the best contests ever seen on Glatfelter Field. The nod on first downs went to the Columbia team, which collected 9 against the Red Tornado's 4.

TOUCHDOWNS: Weisser, Fox.

### Columbia 24 — Chambersburg 7

Minus four regulars, the rugged Crimson Tide traveled to Chambersburg for another triumph. After a shaky first quarter, C. H. S. went into action to collect 4 touchdowns in 9 minutes. C-burg managed to cross the line, once in the third quarter, but failed to overcome our early lead. First downs: Columbia 7, Chambersburg 8.

TOUCHDOWNS. Bish 3, E. Kreiser.

### Columbia 37 — Middletown 6

Scoring at least one touchdown in every period, Columbia High had little trouble in gaining a decision over a plucky Middletown eleven. Long runs, behind excellent blocking, by Bish, Von Stetten, and Weisser, highlighted the tilt. First downs totaled 13 for C. H. S. and 11 for Middletown.

TOUCHDOWNS: Bish 2, Weisser 2, Von Stetten, Martin.
CONVERSION: Martin.

### Columbia 7 — Hanover 7

From this hard fought contest C. H. S. emerged with the scars of battle but with the satisfaction of having tied a good Hanover squad. For the second time in their last two encounters, these teams played to a one-touchdown stalemate. The interesting part of this year's story was in our 9 first downs to their 3.

TOUCHDOWN: Bish.
CONVERSION: Ansalvish.

### Columbia 21 — Patton School 0

In this game a staunch Patton team withered before a Crimson Tide which scored in every quarter but the second. Although Patton never quit, it succeeded in racking up only 1 first down to Columbia's 11.

TOUCHDOWNS: Spiese 2, Weisser.
CONVERSIONS: Ansalvish 3.

### Columbia 21 — Stevens Trade 0

In the last nocturnal fray of the season, the Sponaugle-coached machine ripped through the Stevens eleven to clinch the Lancaster County Title. Behind Gambler's spearhead blocking our backfield clicked off 13 first downs to the Trader's 8.

TOUCHDOWNS: Weisser 2, Bish.
CONVERSIONS: Ansalvish 3.

### Columbia 19 — Hershey 12

This game turned out to be "chocolate dessert" for one of the best seasons in our pigskin history. Luciani led the opposing forces, which finally succumbed when the Crimson Tide added 2 touchdowns to the 6-6 deadlock of the third quarter. In first downs it was 9 for Columbia and 10 for Hershey.

TOUCHDOWNS: Bish 2, Spiese.
CONVERSION: Ansalvish.

QUICK thinking, fast passing, and "dead-eye" shooting were featured by the C. H. S. basketball team throughout the entire season. The setbacks, common to all teams, such as transportation difficulties and loss of players to the Services, naturally produced their effects on our team too. Nevertheless, the records stood in our favor after the revised schedule was played. The results were 9 victories and 6 defeats.

With the Section II League discontinued, intramural basketball was attempted by the various county schools. Columbia High School gave it up when too few players were available to compete in a tournament. Two teams, the Reds and the Whites, were organized, however, and they played some interesting matches preliminary to the varsity's home contests.

A post season game with the C. H. S. Alumni ended in a 35 to 24 victory for the varsity.

A review of 1942-43 basketball left a very favorable impression, considering the limited material available, and the fact that a new mentor had coached the team. The players had developed a marked degree of coordination and teamwork; the team had an enthusiastic following; and future players were given an opportunity to gain experience.

THROUGHOUT the six-match schedule for 1942, the Columbia High School tennis team competed with foes that were far superior in ability. Tennis, on the verge of greater development in our sports circles, has been carried on by players who realized that they had to face great odds in order to produce winning teams of the future. Determined and undaunted by this handicap, the Crimson and Gold netmen still succeeded in serving up one victory. The other matches resulted in two ties and three losses. This year, for the first time in C. H. S. tennis history, a girl rated a regular position on the team and helped to increase the team's average for the season.

Besides being host in the Intercounty League matches, C. H. S. also sponsored intramural tournaments, the latter being held to discover and develop players for our future teams.

THE 1942 C. H. S. track team made up in spirit and pluckiness what it lacked in experience and power. In spite of the fact that but two members of the 1941 varsity were on the roster, the team gave a good account of itself. As the season progressed, a steady improvement was noticed in the team, although it was usually outclassed in the meets.

The results of the various meets showed that Columbia finished first in a quadrangular meet with Susquehanna Township, Red Lion, and North York; sixth among fifteen competitors in the Shippensburg State Teachers College invitation meet and sixth in the District 3 P. I. A. A. meet. The only two defeats for C. H. S. trackmen came in the dual meets with the undefeated Lancaster McCaskey team and with the York High squad.

THE Varsity C Club began its second year in September, 1942. Its chief accomplishments throughout the term consisted of inaugurating a new system of letter and gold awards for our varsity athletics, erecting an honor roll plaque for the C. H. S. students who entered our country's service this year, organizing a club program for next term, and helping to sponsor "The Snow Ball."

The club was designed to "maintain a spirit of fellowship and cooperation among athletes, encourage sportsmanship on and off the athletic field, and encourage participation in various sports." The realization of these aims has been clearly shown in the teams which Columbia High School has recently produced.

Membership in this organization represented a goal of honor and distinction to which the varsity players on our football, basketball, and track teams could aspire. Thus the group consisted of boys who had proved themselves to be true sportsmen as well as good athletes.
